The quaint town of Santa Cristina d'Aro is a beautiful Catalan pueblo located just 3 kms to the coastal town of St. Feliu and 5 kms to the popular beach resort of Platja d'Aro. Santa Cristina provides a serene terrain with vast forests of pine, oak and cork trees. Farmland, located near the river Ridaura, is mainly used for growing grain and fodder, vines and vegetables. However, the unquestionable source of income for the town is the tourism-related industry, concentrated mainly during the summer months. The large influx of visitors and people who have made Santa Cristina their second home has resulted in a range of excellent infrastructure and services such as a variety of dining and lodging facilities, equestrian centers, renowned golf courses, and other recreational services. Santa Cristina is an authentic Catalan pueblo rich in history, tradition and the Mediterranean lifestyle. For the best plots for sale in Santa Cristina contact Costa Brava Fincas!
