Lovely villa with sea views in Calonge

399.000 €

We find this beautiful 4 bedroom rustic villa with sea views in the well known urbanisation of Rio d'Oro in Calonge. When coming in through the front door you will find a large bedroom with sea views and its own bathroom and dressing. From the bedroom you can step outside to a beautiful terrace with sea views where you will spend most of your days. The independent kitchen also connects to this terrace. On the same floor as the large bedroom and kitchen, you will also find another bathroom, washing area and a large living / dining room. On the bottom floor we have 3 bedrooms with access to a small garden, a complete bathroom and a spacious garage with automatic doors. The plot (1144 m²) has several corners where you can enjoy life at every time of the year. There is space to put in a pool. The house needs some updating, but is in good conditions, since it has had only 1 owner since it was built in 1990.
