Plot of land with sea views close to Calonge.

105.000 €

Located in a very quiet corner of Calonge in a quiet residential development. And very close to the village with its beach, shops and activities. You can reach the beach in 10 minutes by car. The municipality of Calonge-Sant Antoni is interesting for its dual nature: Calonge, situated inland, has a notable medieval castle. Sant Antoni stands on the coast and offers excellent walks along its extensive seafront promenade and visits to a variety of coves. The medieval period was of enormous importance in the Girona area, with history forged by the great monasteries and the small independent earldoms, castles, Romanesque and Gothic churches... Calonge is just a couple of kilometres from the beautiful beaches of St. Antoni and is situated at the edge of the stunning Gavarres National Park, which continues all the way to Girona.
